

### **KNITTED BALL IN ONE PIECE**

4mm needles, 8ply wool, any colours.

This pattern makes a cross shape which becomes a ball when you sew the edges together and stuff firmly.

Cast on 10 stitches.

Work 16 rows, (any stitch you choose.)

Cast on 10 sts. at the beginning of the next 2 rows.

Work 16 rows.

Cast off 10 sts. at the beginning of the next 2 rows.

Continue on the 10 remaining sts. and work 32 rows.

Cast off.

You can introduce colours as you wish or just plain.

Textured wool also makes it interesting for the child. You can hide a little bell in a small container and put it in the middle of the ball.

Make the ball larger by increasing the number of stitches and the number of rows in the ratio of 10:16. eg 20 sts:32 rows
