RSVP; robin@revelation.net.au

March Friday 20

9.30 – 3

2 Healey Place,

Gooseberry Hill

RSVP; georgia1@iinet.net.au

Because these events are part of multicultural Harmony Week in Western Australia, please invite a friend from another culture to join in with you. You would have a lovely day together, meeting others and making dolls.

What do I bring?

- Your lunch (and perhaps lunch for your guest too)
- Sewing machine threaded with black or brown thread and a spare needle. There is also much to do without a machine, eg cutting out, stuffing, embroidery.
- Small sharp scissors, several needles.
- Optional; black faux fur pieces for hair, braid, ric rac, ribbons, lace for decoration.
- Gold coin entry for freight for dolls.

Free coffee/tea refreshments provided

Patterns, materials and stuffing provided

There will be a part to play for everyone, from beginners to skilled.

These dolls will be given to TREE (Training and Resources in Early Education) who touch over 40,000 children (0 – 4 year olds) in KZN.

Women are trained in resourceful Early Education Development in a province where the disastrous impact of HIV/AIDS is the most serious in the world.

A doll can be a silent friend for a child full of grief, loss and bewilderment.

Bringing Play to Life
